Winter Weather Prompts Change in Traffic Crash Reporting

Motorists involved in non-injury traffic crashes in Arlington, Lakeland and the unincorporated areas of Shelby County should exchange insurance and personal information and then report the traffic crash to Deputies after the winter weather conditions improve.

Sections of Highway 385 have iced over this morning. Deputies have closed Highway 385 at Highway 70. The south section of 385 remains open but drivers should use extreme caution, especially on bridges and overpasses.

Drivers may file crash reports at the Shelby County Sheriff's Office Traffic Bureau at 11670 Memphis-Arlington Road in Arlington.

However, in traffic crashes involving injuries, drivers should immediately call 9-1-1.

For additional information about reporting crashes during inclement weather, call the Sheriff's Office Traffic Bureau at **(901) 867-1420**.
