Winter Weather Moves into Shelby County

The winter weather has prompted Sheriff's Deputies to make a change for motorists involved in non-injury traffic wrecks.

Deputies report slushy road conditions on streets and highways across Shelby County. The snow has led to several minor traffic crashes.

Motorists involved in non-injury crashes in the unincorporated areas, Arlington and Lakeland should exchange information and contact the Sheriff's Office Traffic Bureau at **(901) 867-1420** once the winter weather moves out of the area.
