Winter Weather Policy Lifted

Road conditions have now greatly improved throughout Shelby County. The Sheriff's Office has cancelled the winter weather policy.

During the past 24 hours, the snow caused many traffic crashes. However, no one was killed or seriously hurt.

Sheriff's Office dispatchers received calls about 50 crashes between about 3 p.m. yesterday and 3 p.m. today. Since the winter weather policy was in effect, Deputies only investigated (7) crashes.

Drivers were told to exchange insurance information if involved in non-injury traffic crashes and file a report at the Sheriff's Office Traffic Bureau in Arlington on Monday. The Traffic Bureau number is **(901) 867-1420**.

Although most roads are dry, drivers are urged to use caution tonight as melted snow could freeze on the streets and highways.
