Body Discovered Near Millington

Sheriff's detectives are working to identify the remains of a body found this morning near Millington.

Deputies say Patrick Cole discovered the body just after 9 a.m. near his barn at 9007 Quito Road in north Shelby County.

It appeared to be a man's body based on the clothing. However, the body was badly decomposed. No weapons were found near the body.

Detectives from the Millington Police Department assisted Sheriff's Deputies at the scene. Millington Police have been searching for a man who disappeared a few days ago.

An autopsy will be conducted by the Shelby County Medical Examiner's Office to determine the person's identity and cause of death.

Anyone with information should call the Shelby County Sheriff's Office General Investigation Bureau at **(901) 545-5600**.
