SCSO Makes Arrest in Aggravated Assault Case Involving Juvenile

On 10-7-2011, Deputies responded to a call of an Aggravated Assault at 5234 Braden Drive. The mother of the victim stated her son called from school and said another juvenile had pulled a gun on him while waiting at a bus stop in front of their residence.

According to witness statements, the victim was joking around with other kids at the bus stop when the suspect allegedly became upset. At that time, the suspect, age 12, went inside his home, retrieved a shotgun came back outside and pointed it at the 12-year old victim.

As the bus arrived, the suspect took the weapon back into the house. At that time, they all got on the bus and went to Woodstock Middle School where they both attend. When they arrived, the suspect was questioned by school resource officers and taken into custody by deputies.

No one was injured and the suspect was taken to Juvenile Court and is charged with one count of Aggravated Assault.
