

Shelby County Sheriff's Office

Neighborhood Watch Program

Over the past thirty years, Neighborhood Watch has enhanced public safety by creating community-based partnerships to fight crime and improve the quality of neighborhood life.

In a continuing effort to build positive law enforcement/community relations, the Shelby County Sheriff's Office will provide assistance in establishing or enhancing a Neighborhood Watch group which will allow them to become more effective and productive in their efforts.

Neighborhood Watch groups build community pride and unity and prepare us for helping ourselves and others in our community. If you are interested in joining our Neighborhood Watch Program, contact:
